Celebrating Over 100 Years at Illinois

A Letter from the President...

This certainly has been a great Fall. The Expo was successful, in spite of the power loss we suffered 45 minutes after we started. Nobody panicked and we continued in very reduced emergency lighting. The hotel provided some complimentary desserts, which I understand were very good. A little more than 100 people attended the Expo, and some told me they enjoyed themselves, in spite of the power outage. The Hilton Garden Inn reduced our bill by 30% due to the inconvenience. What a way to start a Presidency.

The Holiday Party is coming up; sounds like it will be good fun. This party will involve a cost, since the refreshments are not being provided by the University. We will try to keep the cost reasonable.

The Scholarship Awards Brunch, featuring U of I President Michael Hogan and our award winners as our guest speakers, and the Spring Luncheon are set. We will also have a very good speaker discussing the energy grid at the Spring Luncheon. Some applications have already come in and the scholarship committee is getting ready to review them. We wish them well.

Scholarship sales appear to be going well, and I want to thank all those members who worked at our table at the Farmer's Market. We all appreciate you volunteering your time to help recruit more members. Thank you for helping the club to grow.

Peri Ceperley was kind enough to volunteer to be Newsletter Chair this year. I am delighted to welcome her to the board. Thank you Peri!

Hope to see you at the Holiday Party.

Sincerely,

Mary Jo Thomsen, President

Oak Brook Shopping & Sightseeing 1914 Glenn Park Drive, Champaign

*Tuesday, November 9 at 7:15 AM
Deadline: Tuesday, November 2*

This year's fall tour features history and shopping. First is a stop at historic Graue Mill and Museum in Oak Brook. The mill, listed on the National Register of Historic Places, is the only operating waterwheel gristmill in Illinois. The museum includes artifacts, displays (including the Underground Railroad) and grinds corn. After that we will venture over to Oak Brook Mall for shopping and lunch. Tours will be given as desired. And on the return a stop at IKEA and/or Trader Joe's is an option.

You can meet your friends at our departure point in the County Market parking lot on Glenn Park Dr. (just off Mattis Avenue). Please park your car in the southwest corner of the lot by 7:15 AM and climb aboard for our 7:30 AM departure. Reservations are being accepted until Tuesday, November 2. Requests for refunds are honored if someone on the waiting list is available to fill your place.

Light snacks will be provided coming and going, but lunch will be on your own at one of the many good Oak Brook restaurants. **Bring a cooler if you intend to purchase food at any of our stops.** Expect return time between 7 and 8 PM. The Illinois Club Interest Groups 2010 – 2011

DRIVE & DINE

Drive and Dine had its first ever meeting at the Bayern Stube restaurant in Gibson City. We celebrated Oktoberfest in style with great German food and a fun band playing German tunes. Next drive will be to the Beef House! If you'd like to join us, contact Susan Haney at diners@theillinoisclub.org.

The Illinois Club Interest Groups 2010 – 2011

WINE LOVERS

Fifty-four individuals participated in the Wine Lovers' Interest Group's "Blood Red Wines for Halloween" wine tasting event, held at the seasonally decorated home of DrANNcula (aka Ann Long) and Michael Jackson (aka Steve Long). Originally we thought we had many new members, including our first Penguin, a Sister of the Cloth, and the Stars of "Kill Bill", in addition to several witches, vampires, vampire slayers, ghosts and a Fall tree. Further investigation revealed that these were existing members in disguise. However, six had not previously attended Illinois Club events and, despite a scary evening, professed an interest in participating in the Club. Two members who had not previously participated in Wine Lovers' also had a great time! We enjoyed a truly excellent range of wines, from Wine Spectator 90+ points heavy reds and some Bordeaux to some great value old vine Zinfandels. GHOULash, eye of newt (actually eggs in disguise) and other seasonally appropriate treats accompanied the wines

COSMOPOLITAN

The Cosmopolitan Interest Group has scheduled topics from all parts of the earth and in many spheres of interest. We meet the first Thursday of each month at 7:30 pm.

The season's programs began with Dana Francone from International Student & Scholar Service. She informed us of all the programs, advising, workshops and many other ways the University of Illinois assists international students and faculty. There are many ways that we can volunteer.

Susan Haney, a professor and teacher of Ikenobo Ikebana flower arranging, gave us a wonderful and informative demonstration of Japanese flower arranging in October that was enjoyed by all. She has taught classes for many years throughout Illinois and the Midwest, as well as studied in Japan.

In November, Cinda Pettigrew will guide us on a tour of the Galapagos Islands. The December meeting will be sharing Holiday Traditions by the members. This is fascinating with delicious foods, as well as stories of traditions, customs, and crafts. All members of The Illinois Club are welcomed.

CAMPUS LUNCH

The Campus Lunch Group meets at various cafeterias across campus at noon every other Wednesday. We typically have around 10 members get together for lunch in the Illini Ballroom, the Bevier Café, or at Intermezzo. The group provides a great opportunity to relax and unwind with friends in the middle of the day. Many of the attendees currently work on campus, while others drive in or take the bus to join us! We are always open to having new members join us, so if you'd like to participate in this fun group, please e-mail Patricia Simpson at campuslunch@theillinoisclub.org to obtain a copy of the meetings schedule and to be added to the mailing list.

EVENING BRIDGE

Evening Bridge will meet the following **Thursdays at 7:00 p.m.** Location will change monthly. Members of the group will receive an e-mail 2 weeks prior to each gathering with detailed location information. For those not yet a member of Evening Bridge, contact Linda Lopez eveningbridge@theillinoisclub.org for information.

Bridge dates: October 28, November 18, December 9 (possible change due to Holiday Party for The Illinois Club), January 13, February 17, March 10, April 14, and May 19.

HIKING

Our October hike took us to Weldon Springs State Park on a beautiful fall Sunday.

(Are they looking for fish?)

CORDIALLY YOURS

Cordially Yours is now having fun on campus with musical campus lunches, as well as dinner meetings, which have nothing to do with music. Our first lunch was at Beckman Institute where we ate and visited, then were entertained by a “Thursdays at 12:20 Concert”. CO-LAB, a collaborative concert integrating improvisation, composition, dance, and engineering was the featured group for that day,

November 2010

providing a relaxing lunch. More “Thursdays at 12:20” and Interval concerts and lunches are on tap for the daytime, in addition to the Chili Cookoff Contest coming up on Saturday November 6th. For more details on these and other meetings contact Susan at cordiallyyours@theillinoisclub.org.

Newcomers' Group for 2010 – 2011

For our first event of the year, we had a blast with ice cream and toppings under the lights as we listened to Laura Autiberry of the Champaign Park District talk about the incredible offerings of the Park District and gardens. Although our numbers were small, our enthusiasm was great, and we had an enjoyable time getting to know the Champaign parks and each other.

Tour and treats. Time and date to be announced.

The Newcomers' Tailgate party in the WDWS, WHMS, and WUIL tailgate tent was a huge success as we listened to the UI Pep Band, ate traditional tailgate fare, and visited with each other before going off to the game.

Winter Event

Sheila Krein and Jane Myers are busy planning an event for the general membership to take place in January or February 2011.

Ikenberry Prints Available at International Galleries

We are ironing out the final details, but within the next few weeks Judy Ikenberry's prints should be available for sale at Lincoln Square's International Galleries. They will be sold there only in framed versions. If you like the print, but not the framing that they have, they are willing to change it to your suit your needs. All seven prints should be available. If you don't see them, ask at the desk, as maybe they will be on easels, or somewhere on the walls. Or maybe even over at the Urbana Free Library!

Last Tile Scholarship Raffle

We are down to our last Motawi tile now, and we would like to send it out into the world with a bang! It is a lovely brown barn which we are planning on framing with (you guessed it) old barn boards. It will come with a small plaque indicating that this is the end of a fundraising era. We hope to finish it soon and have it up on the website for viewing. Raffle tickets will also be available soon with 1 ticket for \$5, or 5 tickets for \$20. To order, contact Susan Haney at 217-356-2464 or sales@theillinoisclub.org.

Thank You Volunteers! Another Way of Donating...

Many thanks to everyone who volunteered this year at the Market at the Square and at the All Employee Expo on campus. They are: Mike Haney, Susan Haney, Marcy Joncich, Shirley Judy, Sheila Krein, Sharon Michalove, Judith Robinson, Julia Schmidt, Patricia Simpson, Pat Thiessen, and Mary Jo Thomsen. Since the beginning of this fiscal year on July 1, we have had almost \$2,000 in sales, and gotten many people interested in joining the Club. Great work everyone! We couldn't do it without you.

Scholarship Donations – Please make checks out to UIF/The Illinois Club

Thank you to all who have sent in your donations so far this year. And although we love to have donations, if in the future you could all make out your donation checks to **UIF / The Illinois Club**, that would be even more terrific! Our reason is very pragmatic. If we take in more than \$25,000 in any year (combination of dues, paid events, sales, donations, etc. – anything made out to The Illinois Club) we go from a simple 1 page IRS form to fill out to a multi-page form (could be up to 40 pages) that only a CPA can figure out. So please make those donation checks out to **UIF / The Illinois Club**. Thank you so very much!

And it's not too late to get your donations in for this year. If you've been meaning to send one in (and we've heard from several of you), now is a good time. Here's a handy form for you:

Please consider contributing to The Illinois Club Scholarship Fund

Since 1917, the Club has provided financial support to worthy University of Illinois students. For the 2010 – 2011 Academic Year, The Illinois Club awarded seven Make-A-Difference, one Judith Life Ikenberry Fine Arts, and seven Isabelle Purnell Education Awards, totaling \$32,500.

I have included a contribution, made payable to **UIF – The Illinois Club**:

Your Choice \$ _____ Honor Roll (\$50) Dean's List (\$100) Bronze Tablet (\$200)

(Optional) My gift is (please circle one) in honor in memory of _____

Levels of Giving to The Illinois Club Scholarship Fund

Under \$50	Our Donors
\$50-\$99	Honor Roll
\$100-\$199	Dean's List
\$200-\$499	Bronze Tablet
\$500-\$999	Silver Quad
\$1,000-\$4,999	Gold Morrow Plots
\$5,000-\$9,999	Diamond Alma Mater
\$10,000-\$24,999	Platinum Beckman
\$25,000+	Titanium Harker Hall

As you can see, we have all kinds of scholarship donation levels for you to choose from. They range from \$1 all the way to the Titanium Harker Hall level, which would allow you to endow your own named scholarship, as the Ikenberrys and Haneys have done. If you decide to take this route, you can even choose a specific college, department or category, such as people who want to work in Africa after graduating or parents returning to school to get their degree for your award.

Scholarship Application Deadline December 1, 2010

Please have your students send in applications for our scholarships by the **December 1st deadline.**

We need a lot more applicants!

They must have at least **60 hours of credit** and **1 more year of undergraduate schooling** after this semester.

Thank you very much!
