Celebrating Over 100 Years at Illinois

A Letter from the President...

Greetings Everyone!

As I write this, we are still thinking and behaving in a summer mode, but we are already looking forward to a busy year, full of new and familiar activities and interest groups, for all The Illinois Club members. I am honored and excited to be serving as your president this year, and lucky to have so many dedicated members who really make the club run smoothly.

An important new initiative in the club is the mentoring program being developed by the newcomers co-chairs and the membership chair. They will be matching up new members with current members in order to help the new members integrate into club activities and feel welcomed. Please consider volunteering to be one of these mentors to a newer member.

This year's activities will start off with our traditional Expo on September 9 at the Hilton Garden Inn at 4 pm, where you can sign up for interest groups, meet old and new friends, and munch on delicious hors d'oeuvres. Please plan to attend this fun event, and get our year off to an enthusiastic start.

Our Holiday Party is scheduled for December 19, so mark your calendars. The organizers of the Tours and Newcomers have planned some interesting activities for the coming year. Look inside for more details.

June 7-9 we hosted The Big Ten Conference and it was a great success. There was an abundance of good fellowship, mixing and sharing of good ideas from the various clubs. We have received lots of positive feedback from the delegates and participants. A huge thank you goes to Susan Haney for spear-heading the organization and planning of the conference as well as to her fabulous, hard-working committee and club volunteers who took part.

We can all be very proud of the number and amounts of scholarships we were able to give out to amazing students made possible by numerous small and not-so-small donations, so please be generous as you are able.

Best wishes to all for a great year.

Sincerely,

Peri Ceperley

Welcome to all new members of the Illinois Club! We look forward to meeting you, or getting to know you better, whether you're a brand new or relatively new member, new to the Champaign-Urbana and University community, or just new to the Club.

We are excited to be launching a new effort to help you become more familiar with our Club. Current Club members will serve as mentors to interested new members--maybe with a brief call or email every now and then, asking how you're doing, or going together to a general meeting or interest group session that you will both attend. We welcome support for this promising initiative to help everyone feel more connected to the overall organization.

Friday, October 11, 2013, 7:45 am to 4:30 pm
Sign-up Deadline, October 2, 2013

Join us for a day of fun, shopping and food as we enjoy the architecture and history of nearby Iroquois County.

Upon leaving Champaign, our first stop is Onarga Academy's Cornerstone Café where treats and beverages will be provided by a select group of students attending this amazing treatment facility for abused and neglected youth. Program Director, Debra Foulks, will highlight the features of the historic town hall (built in 1897) and guide us on a brief bus tour of the campus.

We will then venture to the Heartland Spa, which was converted from a dairy farm in 1983. You will thoroughly enjoy the architecture and landscape of the barn, main residence, carriage house and 32 acre lake.

After working up an appetite on the Heartland tour, we travel to The Gathering, a unique country store near Gilman, for lunch and shopping.

The day ends with wine tasting and more shopping at Inside Out, an upscale boutique in another historic building in the heart of Gilman. Enjoy a relaxing respite in the garden or search for the perfect gift before our return home.

Lunch choices:

- Chicken Salad on croissant
- Ham & Cheese melt sandwich
- Front Porch Club sandwich
- House salad with tomato soup (gluten free and vegetarian)

Collegiate Cap and Gown
1000 N. Market St.

Friday, January 24, 2014
10 am

How many times have you driven by a large building on Market Street? Have you known this building as 'Collegiate Cap and Gown', Herff Jones or simply as employment in Champaign?

When you attended a college graduation, have you remarked on the various caps and gowns of the faculty, the sleeves of the Doctorate, Master and Bachelor students? Do you know the story of the colors? Can you imagine fitting the tall, the short, the muscular, the petite?

This tour will be approximately one hour. There is no easy access for wheelchairs or walkers. There is no fee. You may sign up by sending your name to Linda, Julia and Kathy at tours@theillinoisclub.org. A head count no later than January 10, 2014 is necessary to determine the number of tour guides needed. This will be a first-come, first-reserve tour with a limit of 50 participants. We regret that this facility is not handicapped accessible.

Optional lunch arranged at Minneci's Ristorante (401 S. First St., Champaign) after tour. More info to follow closer to the event.

Cultivating Winning Strategies – Big Ten Conference

The Illinois Club hosted the 15th biennial Conference of Big Ten Women's Organizations on June 7 – 9. The I Hotel, our headquarters, served as the backdrop and linch pin of our winning strategy to make this conference a welcoming, full-of-lots-of-great-content event. We wanted inviting spaces and ample opportunities for delegates to interact with each other in addition to great food, facilities, tours, keynote speaker, and breakout sessions. In short, we wanted to make this Big Ten Conference the best one ever. Mission accomplished!

We wish all of you could have heard or read the countless glowing comments that we received. The delegates loved everything! And many of them said that it was the best Big Ten Conference they had ever attended. Thank you!!! And thanks to our many members who contributed in so many ways to making our *Cultivating Winning Strategies* conference so fantastic! It began with the Boards of years past who socked away money year after year to make sure we had the funding, and it accelerated the last few years with the **Big Ten Committee**: Susan Haney (chair), Patricia Simpson (assistant chair), Alma Bellafiore, Peri Ceperley, Nancy Komlanc, Sheila Krein, Vivian Larson, Ann Long, Jane Myers, Sandi Thomas and Mary White.

A special debt of gratitude goes to **Bob and Cheryl Easter and their staff** who opened up the President's House for our Friday night reception. The wonderful ambience and food made a seamless connection with the Afternoon Tea and the Campus Bus Tours that bookended the Opening Reception. In fact, the first day of events was so fabulous and so wonderful for facilitating interactions, that after we returned from the President's House, many delegates stayed out in the parking lot, talking to each other! 😊

Many thanks go to **Bruce Vojak, our keynote speaker**. He revved the conference into high gear on Saturday with his unforgettable presentation on innovation. Six content-filled breakout sessions and a delicious lunch

followed the keynote presentation, with four tour options in the afternoon. **The Other Guys**, full of good humor and energy, also made a lasting impression on our delegates at the Saturday night banquet, and we're especially grateful to them for returning to campus for us. Sunday found us wrapping up with the Business Meeting, out of which several amendments were approved to the Conference's Bylaws.

A special thank you is also in order to our Big Ten Committee spouses for generously sharing with the club, and Patricia Simpson, who set up all of our online registrations and made us even more techno-savvy. A special shout out is also due to Mike

Haney, who became the first male delegate to ever attend one of these Big Ten conferences. A list of all the volunteers who assisted with various conference tasks follows. If we have missed mentioning any of you or

your contributions to the conference, please let us know! And if you did not receive a souvenir bag for your efforts, please also let us know at bigten@theillinoisclub.org. For more info, pictures, recipes of the homemade goodies, or Conference Reports (within the next month), please go to our website, <http://www.theillinoisclub.org/bigten.php>. Thank you one and all. We couldn't have done it without you. It was a great moment in our history!

Spring Luncheon 2013

The 2013 Spring Luncheon was held at the Urbana Country Club, and what a beautiful luncheon it was.

Over 50 members and guests were engaged by our speaker Eric Snodgrass from the Atmospheric Sciences Department at the University of Illinois. He discussed climate change in a general sense and put it in a context of a geologic time scale. He polled us to see if we thought climate change was happening and what were the causes (if it was happening). Eric compared the results of our poll with a much larger sample of undergraduates he had polled at the U of I. Most of us thought climate change was occurring. Our speaker pointed out that although dramatic changes may not necessarily happen in our lifetime, changes are slowly occurring now and we can take action to slow down the changes and work towards the future.

We expressed our thanks to the retiring board for their excellent service and introduced the members that will serve for the 2013-14 year. Outgoing President Alma Bellafiore turned the gavel over to incoming President Peri Ceperley.

Besides stimulating our minds, the luncheon also satisfied our palates, with the delicious food served by the Urbana Country Club.

So many choices to make.

Enjoying conversation.

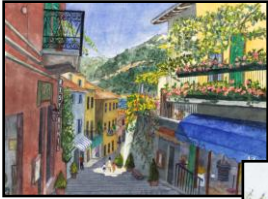

Eric Snodgrass explaining factors that affect climate change.

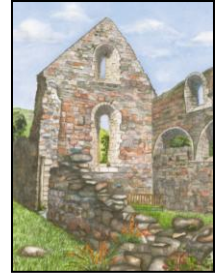

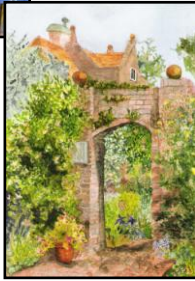

A very interested audience.

New Scholarship!

The Illinois Club is excited to announce that we now have a new scholarship endowment with which to fund our scholarships! The new endowment will be called The Illinois Club STEM Education Fund. Our generous benefactors are once again Mike and Susan Haney.

The new award will be used to fund a scholarship for Science, Technology, Engineering, and Mathematics teachers. Although the University of Illinois currently offers teaching majors only in the sciences and math, it is conceivable that some day we will be graduating computer science, technology and engineering teachers, and this fund agreement will be able to include those new teaching fields as well.

What was their inspiration for this latest gift? To begin with, both were powerfully influenced by their high school science and math teachers who inspired them to be who they are today. What better way to honor those teachers than to help the young people of today make STEM teaching their calling in life and create the next generation of inspiring teachers? When you add to that the fact that for those majoring in science teaching here at Illinois, it will take them 10 semesters, or 5 years to get their degree, and it was a no brainer. How can society expect students to give up lucrative careers in science and math to

take up teaching, and then ask them to pay 25% more for that “privilege”??? Now more than ever, we need the best and the brightest teaching and inspiring our children to make a difference in STEM careers. The Haney's hope this scholarship will encourage those new STEM teachers to stay the course.

Scholarships for Fall 2013

We are offering over \$28,000 in scholarships this year. Please tell anyone you know who will have 60 hours of credit at the end of this fall semester about our scholarship program! In addition, they must still be an undergraduate for at least the fall semester of 2014. The awards being offered are:

- Make-A-Difference & Purnell Education**, 10 awards of **\$2,000** each
- Ikenberry Fine Arts**, 1 award of **\$3,400**
- Haney Social Work**, 1 award of **\$3,000**
- STEM Education**, 1 award of **\$2,000**

More information and an application can be found online at our website, <http://www.theillinoisclub.org/scholarship.php>.

Our application deadline is **5:00 pm November 1st**.

For those who teach, we have pdf's online at the site above that provide details on our awards. You can use them as a slide for your lectures. Thank you!

Club Mentors Wanted

One of the things we learned from last year's survey of current and former members of the Illinois Club is that newcomers sometimes find it hard to feel comfortable in Club gatherings. To address this concern, we are asking current members to help us by volunteering to become a mentor to a newcomer.

As a mentor, you would simply reach out from time to time, to see how the newcomer is adjusting to life in CU, if s/he would like to accompany you to an interest-group meeting, or sit at your table at the Scholarship Awards Brunch, Spring Luncheon, or some other group gathering.

If you are interesting in helping newcomers to get the most out of Club membership, please contact Sandy Camargo, chair of the Membership Committee, at membership@theillinoisclub.org.

Have you seen our online calendar?

calendar@theillinoisclub.org

All interest group meetings, tours, events, and deadlines are posted there. We also have meeting places, hosts, and themes listed. To add events or to make changes, please email us at calendar@theillinoisclub.org and we will be happy to update it.

If you are not on our email list, follow the listserv link from our webpage:

In Memoriam

Dorothy Salisbury Past President 1962 – 1963

Dorothy Salisbury was a leader during the 1950's and 60's in the Tuesday Tea Club when it voted to merge with the Newcomers' Club to form the Women's Club at the University of Illinois. She became the very first president of this new organization in 1962. The Illinois Club owes her a debt of gratitude for her vision during this critical time. She was 102 when she passed away on August 12th in Urbana.
