

Cinder Cake

1 lb. oreo cookies
1 stick margarine or butter, melted
1 12-oz. container Cool Whip
1/2 gallon vanilla ice cream
caramel topping
chocolate syrup
chopped nuts, optional

Crush cookies and mix in melted margarine/butter. Reserve 1 c. for later. Press most of mixture into a 9 x 13 pan.

Cut blocks of ice cream, about 3/4" thick, and gently press into pan. Spread Cool Whip over ice cream. Drizzle caramel and chocolate syrup over top. Sprinkle remaining cookie mixture, and nuts if using, on top.

Freeze overnight. Remove from freezer about 15 minutes before you want to serve, cut into squares.
