A Word from the President...

Jwould like to welcome returning members and new members as we enter into our 97th year of The Women's Club at the University of Illinois, Urbana-Champaign. I hope that you have had a wonderful summer. We have a number of exciting and educational events already confirmed, and others in the planning stages, promising to make this a memorable year starting with our **Fall Sign-up** at Lincoln Square on **Wednesday, September 10, 2003**. I am looking forward to meeting Newcomers at the **Welcome Coffee** hosted by Second Vice Presidents, Nancy Ikenberry and Lisa Brown. They have planned a wonderful schedule of events that I am sure you will enjoy.

Dr. William Kinderman, Professor of Musicology and Chair of the Musicology Division, will be the featured speaker at our **Fall Luncheon** on **Friday, October 17, 2003** at Champaign Country Club.

We are still in the process of planning our **Holiday Luncheon**, which will be held on **Thursday, December 4, or Friday, December 5, 2003**. Look for the November 2003 Newsletter for details of the event.

At our Spring Luncheon 2003, Third Vice President, Susan Haney organized the "Spring 2003 Silent Auction" that raised \$494.50 for scholarship. Susan, thank you for all your hard work. In addition, our members raised \$735 to create "The President's Scholarship Fund" in honor of our outgoing President, Diane Dold. Diane will have the honor of presenting this award at the Scholarship Brunch on Saturday, February 7, 2004, at ACES Library. The featured guest speakers will be the scholarship recipients. If you have an idea on how to raise money for our Scholarship Fund, please contact our Scholarship Chair, Marie Tompkins. Thank you so much for your generous contributions to this very worthwhile program.

Dr. James Kaler, Professor of Astronomy will be the featured speaker at our **Spring Luncheon** on **Thursday, April 22, 2004** at Champaign Country Club.

My special thanks go out to Stephanie Price for volunteering to serve on the Board for the fifth straight year and assuming the position of Meeting Manager. My thanks also go to Jennifer Kelleher, Ann Campbell, Shirley Walker, and Dorothea Smith for continuing to serve in key positions. We still need to fill the position of First Vice President. Any Volunteers?

Over the last eighteen months, the Executive Board has been reviewing the financial state of affairs of our Club. The issue, simply put, has been that Retiree Membership Subscriptions were not generating sufficient income to pay for the basic membership benefits. The short term solution was to raise the retiree dues by a small amount (\$3.00) and to increase the attendance charge for Club Luncheon events for which attendance fees are charged; however, it was realized, this is not a permanent and equitable solution. Therefore, after considering the alternatives, the Executive Board reluctantly decided to equalize the membership dues to \$20.00 for all members. This decision was based in part on the fact that we were the only Women's Club in the Big Ten that offered a graduated membership subscription structure. The Executive Board asks for your understanding and acceptance of this necessary action. The Women's Club 2003-2004 Budget and Financial Statement will be published in the November 2003 Newsletter. If you have any questions or concerns, please do not hesitate to contact me.

I look forward to seeing you at the Fall Sign-up!

WILL-TV FESTIVAL 2003

The Women's Club at the University of Illinois volunteers as a public service at one session of the WILL-TV fund-raiser in the spring semester. Publicity Co-Chair, Jean Creswell, contacts Valerie Gadbury, Development Office Manager, regarding the event. This information is then presented to the Women's Club Board for their decision as to whether to participate and on what specific date. At least six volunteers are recruited. Upon receiving the informational mailing from WILL, Jean mails copies of the information to the volunteers and follows up with reminder calls about the date and time.

The following volunteers from the Women's Club of the University of Illinois answered phones during the WILL fundraising drive on Sunday, March 9, 2003, from 3:00 to 7:00 PM: Helen Burch, Diane Carothers, Jean Hadfield, Bernice Lieberman, and Anne Martel. Two back-up volunteers were Joan Brinegar and Denice Love.

Valerie Gadbury reported that our group took 57 phone calls which raised \$4,010.00. WILL-TV thanked the Club for its support.

INTEREST GROUP GENERAL INFORMATION

We look forward to seeing you at the September 10 opening meeting at Lincoln Square. As you read the **Interest Group Information** insert in this newsletter, you will notice there are some new groups available and some previous groups missing. We are always willing to start a new group or revive an old one. All it takes is about 10 people interested (one or two must be chairs).

As a paid member of the Women's Club you may join or visit any interest group at any time during the year. We accept new Women's Club members throughout the year. Where else can you get a year full of fun for \$20?! We encourage you to invite your non-member friends to visit your interest groups. If a person who is not affiliated with the University of Illinois wishes to belong to the Women's Club, you should submit their name to the Board (preferably the membership chairman) and the board will act.

The goodwill and the camaraderie within our interest groups form the backbone of this organization. The scholarship fund is our helping hand to our University and its students. In 1995, a renewed interest in scholarship funding began. That year, the University of Illinois Foundation established the groundwork for a scholarship fund in our name. President and Mrs. Stukel hosted a \$250 a plate scholarship dinner. Also, Judith Ikenberry established a scholarship for a student in the arts. She then designated the Women's Club scholarship committee to choose the recipient. From this an interest group was formed called "Dollars for Scholarships." This group organized a radio-stage show fundraiser at the Parkland Theater. Because of this other interest groups were motivated to do fund raisers. The "Let's Do Lunch" group used the private dining room at the Original Pancake House for a lunch and auction. All items donated were related to food -- and I tell you, we are a creative group. The "Antiques and Collectibles" group also held several very successful auctions. We hope to keep the momentum going. If you have an idea for your interest group, make the suggestion. Some groups with common interests could also join forces.

See you on Wednesday, September 10. We hope you have a good time with our Women's Club activities this year. Call either of us any time with your comments and suggestions. Thank You!

Shirley Walker (352-7428)
3rd Vice President, Interest Groups

Cynthia Glenn (378-4828)
Asst. 3rd Vice President
